The "classical education movement" is a form of education that emphasizes history, literature and language studies within a modern school framework. The term "classical education" has been used in Western culture for several centuries, with each era modifying the definition and adding its own selection of topics. By the end of the 18th century, in addition to the trivium and quadrivium of the Middle Ages, the definition of a classical education embraced study of literature, poetry, drama, philosophy

*Classical education movement - Wikipedia*

Contrary to myth, classical education does not oppose science or technology. As such, LeTourneau University, located in Longview, Texas, is a great
