Assassins Script

Assassins - a musical by Stephen Sondheim and John Weidman. Assassins. The idea for Assassins first planted itself in Stephen Sondheim's mind when he was serving on a panel at Stuart Ostrow's Musical Theater Lab and read a play by a young playwright named Charles Gilbert. Gilbert had submitted a script about a fictional presidential assassin, and although Sondheim found the play itself problematic, he was fascinated by the peripheral material Gilbert had compiled--letters and anecdotes ...

Assassins-script-sondheim-pdf

In 1979, as a panelist at producer Stuart Ostrow's Musical Theater Lab, Sondheim read a script by playwright Charles Gilbert, Jr. entitled Assassins about a Vietnam veteran who becomes a Presidential assassin. The play eventually had little in common with Sondheim's musical, but Sondheim was inspired by its title, its use of quotes from various historical figures who had attempted to assassinate American Presidents, and its opening scene of a shooting gallery with the lighted sign "SHOOT THE ...

Assassins Sondheim Script - reliefwatch.com

Synopsis. In this darkly humorous musical review, Stephen Sondheim (music and lyrics) and John Weidman (book) depict nine misfit men and women who attempted (four of them successfully) to assassinate American Presidents. While every nation has its assassins and would-be assassins, only in America, the authors suggest, do disturbed and disturbing individuals act not because they hope to influence national politics, but because they are wrapped up in a malignant sense of entitlement.

Assassins Broadway (2004) Subtitled - YouTube

It's not very often that a musical is written to explore presidential assassins & would-be assassins. Sondheim's piece is thought-provoking & brilliant. I recommend getting a copy of either cast recording of Assassins to accompany reading the script.

Assassins by Stephen Sondheim - Goodreads

Stephen Sondheim’s groundbreaking achievements in musical theatre attain a new level of audacity and accomplishment in his latest creation, Assassins. Evoking a fraternity of Presidential assassins and would-be assassins across a hundred years of our history (including John Wilkes Booth, Lynette “Squeaky” Fromme, John Hinckley and Lee Harvey Oswald), he and collaborator John Weidman examine success, failure and the questionable drive for power and celebrity in American society.

Musical.
As one of the characters in Assassins says, "Tolstoy was right, you can't beat the Gods. It's the small things - the warp and woof - that make up the pattern. And how much influence do we have over the small? Now that's a theme for a modern writer." And Nicholas Mosley is this writer. Part political thriller and part love story, Assassins explores the "small things" that give shape and meaning to the "big events."
"A selection of lyrics from the musicals of the award-winning Stephen Sondheim, in the Everyman's Library Pocket Poets series"--
Offers the complete libretto to the Tony Award-winning Broadway musical
Stephen Sondheim's first new work in over a decade.
An expanded and updated edition of this acclaimed, wide-ranging survey of musical theatre in New York, London, and elsewhere.

An award-winning new play that has been called "a brilliant latter-day variant on Elsinore in an English country garden blitzed by bees" (Sheridan Morley, The Spectator) All is not well in the Humble hive. Thirty-five-year-old Felix Humble is a Cambridge astrophysicist in search of a unified field theory, but after the sudden death of his father, James, a teacher and amateur beekeeper, he is forced to return to the family home in the English countryside. Once there he and his demanding mother, Flora, a glamorous former showgirl who resents having spent the last thirty years in suburban exile, attempt to reconcile themselves to James's death and to each other, plumbing the depths of their anger as well as their love. The emotional turmoil increases exponentially with the arrival of George, Flora's longtime lover, and his daughter Rosie, Felix's former girlfriend, as Felix is forced to acknowledge that his search for unity must include his own chaotic home life. A play concerned with beekeeping and astrophysics, imbued with heartbreak and wit, larger questions of the universe and smaller questions of family dynamics, Humble Boy has been called "a feast: a serious, moving, cerebral feast" (The Sunday Times).

(Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting A Sunday Afternoon on the Island of La Grande Jatte by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. " Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Frank Rich, The New York Times Magazine

A celebrated new musical based on the Academy Award-winning film.

The Stephen Sondheim Encyclopedia is the first reference volume devoted to the works of this prolific composer and lyricist. The encyclopedia's entries provide readers with detailed information about Sondheim's work and key figures in his career, including his apprenticeship, his early work with Leonard Bernstein, and his work on television.
