Digitizing Collections Strategic Issues For  
Part Two of the book, Digitizing Collections, covers many of the complex issues involved in the day-to-day running of a digitization project, such as developing (and keeping to) a project plan, finding funding for digitization projects, and project management, including issues regarding staff, technology, workflow, quality assurance, standards, metadata and the preservation and maintenance of digital data, as well as the reasons digitization projects can fail. Three chapters are then devoted ...

Preservation Guidelines for Digitizing Library Materials ...

Digitization is the process of converting information into a digital (i.e. computer-readable) format, in which the information is organized into bits. The result is the representation of an object, image, sound, document or signal (usually an analog signal) by generating a series of numbers that describe a discrete set of points or samples.The result is called digital representation or, more ...
