coverage of combination boilers, recently developed control features and SEDBUK (Seasonal Efficiency of Domestic Boilers in the UK) boilers ratings, where known. In addition to providing concise details of

Just days after the Germans surrendered at Stalingrad, legendary Red Army sniper Vasily Zaytsev described the horrors he witnessed during the five-month long conflict: “one sees the young girls, the children

who hang from trees in the park... I have unsteady nerves and I'm constantly shaking." He was being interviewed, along with 214 other men and women—soldiers, officers, civilians, administrative

staffers and others—amidst the rubble that remained of Stalingrad by members of Moscow's Historical Commission. Sent by the Kremlin, their aim was to record a comprehensive, historical documentary of

Hellbeck's Stalingrad is a
