Revised edition of International business, 2015.

For undergraduate and graduate level international business courses. International Business, 12/e is an authoritative and engaging voice on conducting business in international markets.

This book is about international businessinternational firms, their business activities across borders, the environment in which they operate, and management. The book produces a clear and concise introduction to international business, setting a global standard for studying and understanding of international business as required by practicing managers and those in colleges and universities who are aspiring to become international business managers.

International Business provides real & up-to-date coverage of international business topics & issues. It discusses the differences faced in international environments, overall company strategies & functional alternatives for operating abroad.

For courses in international business. International business through theory and practice Balancing authoritative theory and meaningful practice, International Business engages students on the subject of conducting business in international markets. The authors' descriptions and ideas of international business are enhanced with contemporary examples, scenarios, and cases that help students effectively apply what they've learned. Now in its 16th Edition, International Business remains one of the best-selling and most authoritative international business texts available. As rigorous and practical as ever, this edition remains current through updated author-written cases, including seven entirely new cases, streamlined writing, and expanded coverage of relevant global changes.

The Hispanic-Latino community is large, expanding, and an important contributor to the U.S. economy. Numbering over 50 million, Hispanic-Latinos currently represent about 16% of the population. Hispanic-Latinos engage in a diversity of jobs that help keep the American economic engine running. The practice of entrepreneurship has been on the rise with over 2.3 million businesses in the United States categorized as Hispanic owned, generating over \$345 billion in sales. This book examines the entrepreneurial mindset of Hispanic-Latinos in the United States. With limited literature on the subject, the authors created a pioneering book that captures the viewpoints of real-life Hispanic-Latino entrepreneurs. Using a 15-item questionnaire, the authors obtained information on entrepreneurial intent, goals, and business strategies utilized. This book highlights real world business experiences, including challenges relating to entrepreneurial pursuits, and the importance of hardwork, discipline, and a positive mindset in the success of an enterprise.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab™ and Mastering™ platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For courses in international business.
