wise, some thoughtful, and some downright hilarious. The musings, advice, and observations inside are drawn from famous writers, politicians, actors, comedians, athletes, businessmen, and philosophers. Complete with a new foreword by Nick and Tony Lyons, The Little Red Book of Dad's Wisdom is the perfect Father 's Day—or any day—gift for dad.

These proceedings are based on the third of a series of symposia devoted to the use of catalysis for the depollution of exhaust gases of motor vehicles. Although catalysts have been used for this purpose for some thirty years, the subject is still very topical because of its economic impact. The increasing number of submitted, accepted and published papers amply attests to this fact.

Extensively researched and authoritatively and enthusiastically written, entries describe in detail the history of each particular company and of course the models for which they are famous.
