Montessori's approach to assisting the
development of the child is, to me, not
another how-to theory. Rather, it is a
mentality and a common-sense approach to
doing things. Everything said seems very
logical, and I find myself nodding along to

Instructions for raising infants, its comprehensive exploration of the first three years incorporates the furnishings and tools she created for the care and comfort of babies. From the design of the baby's bedroom to the child-sized kitchen table, from diet and food preparation to clothing and movement, the authors provide guidance for the establishment of a beautiful and serviceable environment for babies and very young children. They introduce concepts and tasks, taking into account childrens' 'sensitive periods' for learning such skills as dressing themselves, food preparation, and toilet training. Brimming with anecdote and encouragement, and written in a clear, engaging style, Montessori from the Start is a practical and useful guide to raising calm, competent, and confident children.

A guide for parents with children up to the age of three explains how to apply the Montessori method of hands-on learning and self-discovery to infants and toddlers, providing advice on such areas as designing a baby's bedroom, utilizing child-sized furniture, and teaching introductory skills including dressing and toilet training. Original. 20,000 first printing.

It's time to change the way we see babies. Drawing on principles developed by the educator Dr Maria Montessori, The Montessori

Baby shows how to raise your baby from birth to age one with love, respect, insight, and a surprising sense of calm. Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby, and how you can mindfully assist in their learning and development. Including how to: Prepare yourself for parenthood—physically, emotionally, intellectually, and spiritually. Become an active observer to understand what your baby is really telling you. Create Montessori spaces in your home, including “yes” spaces where nothing is off-limits. Set up activities that encourage baby's movement and language development at their own pace. Raise a secure baby who's ready to explore the world with confidence.

Turn your home into a Montessori home—and become a more mindful, attentive, and easygoing parent. It's time to change the way we see toddlers. Using the principles developed by the educator Dr. Maria Montessori, Simone Davies shows how to turn life with a “terrible two” into a mutually rich and rewarding time of curiosity, learning, respect, and discovery. With hundreds of practical ideas for every aspect of living with a toddler, here are five principles for feeding your child's natural curiosity, from “Trust in the child” to

“Fostering a sense of wonder.” Step-by-step ways to cultivate daily routines with ease, like brushing teeth, toilet-training, dealing with siblings, losing the pacifier. Plus learn how to: Stay composed when your toddler is not and set limits with love and respect—without resorting to bribes or punishment Set up your home and get rid of the chaos Create Montessori activities that are just right for your one-to-three-year-old Raise an inquisitive learner who loves exploring the world around them See the world through your toddler’s eyes and be surprised and delighted by their perspective Be your child’s guide—and truly celebrate every stage

Montessori: A Modern Approach has been called the single best book for anyone -- educator, childcare professional, and especially parent -- seeking answers to the questions: What is the Montessori method? Are its revolutionary ideas about early childhood education relevant to today's world? And most important, especially for today's dual-career couples. Is a Montessori education right for my child? Paula Polk Lillard writes both as a trained educators and as a concerned parent -- she has many years as a public school teacher, but it was her enthusiasm for the education her own child experienced in a Montessori school that led her to become a leading voice in the Montessori movement in

Paula Lillard, director of a Montessori school ranging in age from 18 months to fifteen years, provides a clear and cogent introduction to the Montessori program for the elementary and later years. In detailed accounts, Lillard shows how children acquire the skills to answer their own questions, learn to manage freedom with responsibility, and maintain a high level of intellectual stimulation by using the Montessori method. This is an essential handbook for parents and teachers who have chosen the Montessori alternative for the older child.

"A resource for teachers and parents interested in Montessori education and Dr. Maria Montessori's observations on child development. Discusses Montessori education and its viability in the 21st century. Explains the basic elements of child development through the lens of Montessori philosophy and neuroscientific findings"-- Provided by publisher.
