~~My Relationship with Food: 100 Recipes to Nourish ... by ...~~

Having a healthy relationship with food means you not only value the pleasure that food can provide, but you also respect your body's physiological needs. Intuitive eating is a key phrase here, meaning that you listen to your body and feed it accordingly—not too much and not too little, and with just enough variety.

~~What is a Healthy Relationship with Food? | Jill Castle~~

It's about our emotional relationship to food and eating. Normality can be a strange, subjective concept. But what I'm talking about is what you see in healthy babies and young kids. After all ...
