By Jean Ritchie Myra Hindley: Inside the Mind of a ...

In her 1988 book on the Moors murders, Myra Hindley: Inside the Mind of a Murderess, author Jean Ritchie writes that Hindley grew up in a repressive, impoverished household, where her father regularly beat her and encouraged her to use violence to solve conflicts. In 1961, when she was just 18 years old and working as a typist, Hindley met Brady.

The Story Of Myra Hindley And The Gruesome Moors Murders

With Will Hanrahan, Linda Papadopoulos, Jeremy Coid, Joe Chapman.

Between 1963 and 1965, five young people have their lives taken at the hands of Ian Brady and Myra Hindley. Known as the "Moors Murders", the devastation perpetrated by this pathological couple is examined.

Myra Hindley: Inside the Mind of a Murderess: Jean Ritchie ...

Myra Hindley was born 23rd July 1942, to Bob and Nellie Hindley. She was born in Crumpsall, in the United Kingdom, and grew up in Gorton which was part of Manchester. She had a tough childhood with an alcoholic father and mother who both beat her. Work and Life. In 1961, Myra Hindley joined the staff at Millwards, and shortly after, she met Ian Brady.

Myra Hindley Biography, Life, Interesting Facts

The killers Ian Brady and Myra Hindley in all, killed five children between the ages of 10 and 17. The murders were worldwide news at the time and have been regarded by many as some of the most horrific and violent crimes ever committed. It was not until 1985 however, that the identity of two victims were discovered when Brady confessed to the killings.

File Type PDF Myra Hindley Inside The Mind Of A Murderess

'Infamous, I have become disowned, but I am one of your own' - Myra Hindley, from her unpublished autobiography On 15 November 2002, Myra Hindley, Britain's most notorious murderess, died in prison, one of the rare women whose crimes were deemed so indefensible that life really did mean life. But who was the woman behind the headlines? How could a seemingly normal girl grow up to commit such terrible acts? Her defenders claim she fell under Ian Brady's spell, but is this the truth? Was her insistence that she had changed, that she felt deep remorse and had reverted to the Catholicism of her childhood genuine or a calculating bid to win parole? One of Your Own explores these questions and many others, drawing on a wide range of resources, including Hindley's own unseen writings, hundreds of recently released prison files, fresh interviews and extensive new research. Compellingly well written, this is the first in-depth study of Hindley and the challenging, definitive biography of Britain's most-hated woman.

Fifty years after the Moors Murders and 15 years since Myra Hindley died in prison, after one of the longest sentences served by a woman, this book raises some delicate and searching questions. They include: "Why was Hindley treated differently?", "Why do we need to create

File Type PDF Myra Hindley Inside The Mind Of A Murderess

demons?" and "What impact does this have on our whole notion of crime, punishment and justice?" Set against the political backlash of one of the most notorious cases in English criminal history, *The Monstering of Myra Hindley* is a perceptive, first-hand portrayal of the most talked-about and maligned of women. Nina Wilde invites readers to hold back any adverse preconceptions as she seeks to show how the media selected Hindley as a monster and the politics at play around her dehumanising captivity. She compares how things are done in some other European countries and how the UK itself routinely releases others equally bad (arguably worse) quietly and away from the public gaze. Everyone, the author included, recognises the plight of the victims but this should not be allowed to mask other wrongs that, with hindsight, become increasingly apparent in Hindley's case. Review 'I think she became a national scapegoat for that part of the social mind that is cruel and has contempt for vulnerability'— Dr Gwen Adshead

Since May 1966 when Ian Brady and Myra Hindley were sentenced to life imprisonment at Chester Assizes the British public has been absorbed and horrified by the Moors Murders. Ian Brady has often been aptly described as the most evil man alive or the Daddy of the Devils , while Myra Hindley, Britain's first female serial killer, became the most hated woman in Britain. Here is the definitive account, drawing

File Type PDF Myra Hindley Inside The Mind Of A Murderess

on exclusive, never-before-seen material. It changes forever our understanding of the Moors couple and their heinous crimes. Why did they do it? What actually happened? Unlikely as it may appear to those detectives, psychiatrists, authors, criminologists, journalists and the victims families, who have all sought in their own ways for decades to discover it, this book is possibly as near as we shall ever get to understanding how the victims died. It proves beyond question that the parents of the victims were right all along in their claims about Hindley s part in the murders. Did Brady give an account to anyone of his life, Myra Hindley and their crimes before he died? Yes, he did - here it is.

'To me it was like hunting. Hunting people down.' - Anatoly Onoprienko
From perverse acts of cannibalism and dark sexual fantasies to vicious acts motivated by greed and a simple lust for blood, this book reveals the methods and motivations of some of the world's most notorious serial killers, including Juan Corona, Ian Brady & Myra Hindley, Pee Wee Gaskins and Ivan Milat. Discover the true stories behind celebrity murderers whose names have become legend, including Jeffrey Dahmer, Charles Manson, Leonard Lake and Charles Ng, as well as the chilling truth about psychopaths such as Anatoly Onoprienko, whose urge to murder whole families was suppressed by the USSR and has only recently

File Type PDF Myra Hindley Inside The Mind Of A Murderess

come to light. Whatever the personal stories that emerge from this line-up of twisted individuals, *Serial Killers* is a compelling testament, and warning, of the potential of human behaviour for true horror and pure evil.

This pioneering collection of essays looks at our fascination with women who murder. The authors explore how women both fictional and real are represented, as well as the way society responds to these women.

To understand human character, one must first explore the depraved reaches of human consciousness

Four turn-of-the-century fiends whose "crimes, even by today's standards, are still shocking—because they were committed by women" (*Yorkshire Magazine*). Their names may not be as familiar as such notorious female serial killers as Aileen Wuornos, Myra Hindley, Martha Beck, or Belle Gunness. But more than a century ago they made headlines and enthralled a bloodthirsty public. Now, venturing into the darkest side of human behavior, journalist Stephen Jakobi unearths the life and crimes of four of history's most twisted women: Agnes Norman, a London servant girl whose victims of choice were children,

File Type PDF Myra Hindley Inside The Mind Of A Murderess

including three infants. Most startling is that Agnes was a child herself—only fifteen-years-old. Louie Calvert, a prostitute condemned for only one murder. But her unique death cell autobiography revealed much more to her story. Kate Webster committed one of the sickest slayings of the Victorian era. Was she also responsible for the Thames Torso Murders which rivaled Jack the Ripper? Finally, the mysterious Mrs. Willis, an English "baby farmer" whose services included foster care, wet-nursing, and infanticide. Using original research based on family-owned primary sources and government files only recently made available, *In the Mind of a Female Serial Killer* delves into to the grisly psyche of these infamous murderesses.

ON 15 MAY 2017, IAN BRADY DIED IN HOSPITAL, ENTIRELY UNREPENTANT OF HIS EVIL CRIMES. WITH HIM ALMOST CERTAINLY DIED THE SECRET OF WHERE THE BODY OF TWELVE-YEAR-OLD KEITH BENNETT, THE LAST OF HIS AND MYRA HINDLEY'S YOUNG VICTIMS, LIES. Ian Brady was one of the most notorious and reviled serial killers in Britain. With his co-conspirator, Myra Hindley, he committed what became known as 'the Moors Murders' in which five children were abducted, assaulted and murdered. Dr Chris Cowley has a PhD in Cognitive Psychology and lectures in Forensic Criminology. He is in the unique position of having had exclusive access to Brady and, for six years, conducted groundbreaking research

File Type PDF Myra Hindley Inside The Mind Of A Murderess

by corresponding with Brady and visiting him in prison. By gaining his trust, Cowley was able to take an unrivalled look inside the mind of a serial killer. This in-depth and revealing book reproduces letters and transcripts of conversations with Brady which, until the first edition came out, had never been published before. Using this fresh perspective and original material, Dr Cowley sheds new light on what went wrong in Brady's formative years to set him on a path of crime, and how Hindley became the lethal factor that started Brady's murder cycle. It also reveals Brady's unflinching account of being caught and convicted of serial murder, and his thoughts and emotions concerning Hindley, recorded as he moved into his second decade on hunger strike. This important study provides information that is essential to our understanding of the psychology of serial killers. By broadening our knowledge of these complex issues, we can increase the likelihood of catching murderers, and perhaps even prevent their terrible crimes from taking place.

The shocking true crime story of child murderers Ian Brady and Myra Hindley, Great Britain's most horrific serial killers. During the early 1960s, just as Beatlemania was exploding throughout the United Kingdom, a pair of psychopathic British killers began preying on the very young, innocent, and helpless of Greater Manchester. Between 1963

File Type PDF Myra Hindley Inside The Mind Of A Murderess

and 1965, Ian Brady and his lover and partner, Myra Hindley, were responsible for the abduction, rape, torture, and murder of five young victims, ranging in age from ten to seventeen years old. The English press dubbed the grisly series of homicides "the Moors Murders," named for the desolate landscape where three of the corpses were eventually discovered. Based in part on the author's face-to-face prison interviews with the killers, Fred Harrison's fascinating and disturbing true crime masterwork digs deeply into Brady and Hindley's personal histories to examine the factors that led to their mutual attraction and their evolution into the UK's most notorious pair of human monsters. It was during these interviews that new details about the killers' terrible crimes surfaced, compelling the police to reopen what was arguably the most shocking and sensational homicide case in the annals of twentieth-century British crime. With a new introduction by the author, meticulously researched and compellingly written, Brady and Hindley is the definitive account of Britain's most hated serial killers.
