SBAC ELA Test. The ELA test assesses student knowledge in alignment with the Common Core State Standards for language arts and literacy. Students' ability is tracked through four predetermined content claims. These evaluate whether students can (1) Read Analytically, (2) Write Effectively, (3) Listen Purposefully, and (4) Conduct Research. For more information about the SBAC

Practice tests, used in all Smarter Balanced states and territories, are available in grades 3-8 and high school. They are similar in format and structure to the actual test and include about 30 questions. Each state and territory has their own practice test, so be sure to use the one where you live (see the list on the right).

While the 11th grade SBAC test has only one English Language Arts section, we have chosen to provide practice in each of its components separately to give you the most comprehensive preparation. This section tests how well you can read, understand, and analyze written material. You will read various types of material, and you need to do so with a critical eye.
