However, only one vehicle can be tuned at a time. In order to tune multiple vehicles simultaneously, you will need a device per vehicle. *To reset your device unlocks to be able to pair with 5 more vehicles, contact our sales team. Resets are \$65 to reset these settings.

~~Can I Tune More than one Vehicle with my SCT Device?~~

The SCT tuner will identify automatically what vehicle you are tuning and give you options on the fuel you plan to run from 87, 89, 91, and 93 octane. The better gas you use, the more aggressive – but safe – the tune will be. Typically a tuner will slightly lean out your air/fuel ratio mixture and add a few degrees of timing.
