Benefits of direct marketing | Business Queensland
Direct marketing is a promotional method that involves presenting information about your company, product, or service to your target customer without the use of an advertising middleman. It is a targeted form of marketing that presents information of potential interest to a consumer that has been determined to be a likely buyer.

Direct Marketing Definition - What is Direct Marketing
Direct marketing is attractive to many marketers because its results, positive or otherwise, can be measured directly. For example, if a marketer sends out 1,000 solicitations by mail and 100 respond to the promotion, the marketer can say with confidence that the campaign led directly to a 10% conversion.
