weaker side.

The Weaker Side « Hudson Music
What is the "weak-side" Very simply, the weak-side refers to the side of the field the defending team has offered more space and fewer players to temporarily, such that they are compact and well organised to defend on the other side of the field.

Coaching: exploiting the weak-side
In doing this exercise, many runners will feel that one side feels weaker than the other, and fatigues more quickly. You may also feel that one hip feels tighter and more restricted than the other. Often this kind of strength imbalance comes as a result of injury.
