Convert your own VW Panel Van to a Camper, and you've got the best of both worlds, as Lindsay Porter's manual shows. The T5 Transporter, the world's best selling van, is great to own and you'll save a fortune compared to the cost of buying a ready-converted Camper. Follow the detailed, highly illustrated instructions in this manual and you can't go wrong! This book will show you how to choose the right Panel Van for your needs, how to fit the roof, windows and furniture, plus step-by-step guides to fitting cookers, a water supply, wash-stands, heaters and more. A detailed guide with 500 illustrations, covering every aspect of the conversion. You'll save money and learn a lot!

The nineteenth edition of this classic automotive manual helps dedicated VW owners fight the war against rust, body rot, and engine failure to keep their prized cars alive, with advice on caring for Bugs, Karmann Ghias, vans, and campers. Original. 30,000 first printing.

The Total Car Care series continues to lead all other do-it-yourself automotive repair manuals. This series offers do-it-yourselfers of all levels TOTAL maintenance, service and repair information in an easy-to-use format. Each manual covers all makes format. Each manual covers all makes and models, unless otherwise indicated. :Based on actual teardowns :Simple step-by-step procedures for engine overhaul, chassis electrical drive train, suspension, steering and more :Trouble codes :Electronic engine controls

This revised and expanded third edition updates the story across six generations of the VW Bus and includes additional information and pictures, including more conversions, as well new information about the very early years and the latest models. Using archive and period brochure images, and photographs of original-condition models still surviving to illustrate the detailed text, it documents the various specifications, layouts, fitments and optional equipment of over forty different conversion companies, from well-known names like Devon and Westfalia, to lesser-known or unusual models such as Slumberwagen and Arcomobil. Since publication of the first edition in 2005, followed by a revised, expanded edition in 2012, VW Camper - The Inside Story has been acclaimed by enthusiasts and lovers of the VW Camper, and has become a definitive guide to the many different camping conversions built on the VW Transporter and Microbus.

Buying a car is an expensive business and mistakes can prove costly financially and in time, effort and stress. Wouldn't it be great if you could take an expert with you? With the aid of this book's step-by-step guidance from a marque specialist, you can! You'll discover all you need to know about the car you want to buy. The unique points system will help you to place the car's value in relation to condition while extensive photographs illustrate the problems to look out for. This is an important investment - don't buy a Volkswagen Bus without this book's help.

Demand for Bay window buses is booming with rocketing prices to match. This is the first and only book to address the needs of owners looking to save a Bay bus. The book is packed with clear color photographs showing step by step real life restoration.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

VW Buses command a massive following -- with Campers being the most popular of all. This book delves exclusively into the spin-off conversions based on the VW Panelvan, Kombi and Microbus that became known simply as VW Campers. Packed with original marketing images, including unusual, discontinued models this book will fascinate any VW fanatic.
