We the Media is a
book written by Dan
Gillmor, published
in 2004 by O'Reilly.

Gillmor discusses
how the
proliferation of
grassroots internet
journalists has
changed the way
news is handled.

One of the book's

main points is that a
few big media
corporations cannot
control the news we
get any longer, now
that news is being
published in real-
time, available to
everybody, via the
Internet. The book
received
widespread praise
from the
